PARTNERSHIP BETWEEN NORTH & CENTRAL ALABAMA HOME LISTING SERVICES PROVIDES BOOST TO CONSUMERS & AGENTS IN AN ALREADY HOT HOUSING MARKET

Buyers & Sellers now have access to 60% of Alabama REALTORS® when visiting a single website; agents primed to serve their clients better

BIRMINGHAM, Ala. (November 12, 2020) - Today, a historic partnership between two of Alabama's largest Multiple Listing Services (MLS) took a final step when data sharing went live between ValleyMLS.com and LiveInAlabama.com powered by Greater Alabama MLS (GAMLS).

Consumers listing their homes for sale on either ValleyMLS.com or LiveInAlabama.com will have their property directly marketed to 9,000 out of 15,000 Alabama REALTORS®. Homebuyers now have an even more comprehensive and accurate look at the housing market on both websites. Real estate agents will no longer have to pay two separate subscriber fees to each MLS to do business across north and central Alabama.

"We hope this is the beginning of a greater collaboration with other MLSs across the state of Alabama. We want buyers and sellers to know when it comes to real estate in Alabama, local information is the most accurate and reliable that you can find anywhere on the World Wide Web," said Chris Wood, 2020 Greater Alabama MLS President.

"By combining our efforts, consumers can view thousands of homes for sale in much of central and northern Alabama or have their home advertised to nearly 10,000 REALTORS®," said 2020 ValleyMLS.com Chair, Cindi Peters-Tanner. "For agents that subscribe to either MLS, this represents the latest massive free benefit to them, a collaboration, years in the making."
